## **AAU Member Club Compliance Form CONCUSSION LAW REQUIREMENTS**

**Required by AAU Event Operators to participate in AAU sanction events**

HB1824, otherwise known as the Zachery Lystedt Law, was signed into law on May 14, 2009. It requires, as of July 26, 2009, that additional steps be taken regarding concussions in private nonprofit youth athletic programs using school district facilities.

This bill requires training and documentation which AAU Member Clubs must adhere to. AAU players and their parents/guardians must meet these minimum requirements and submit the required documents along with the tournament entry form:

1. All AAU member coaches will have to take training on the nature and risk of concussions and head injury including continuing to play after a concussion or head injury. Coaches must sign and return the Concussion Fact Sheet prior to initiating team practice or competition.
2. On a yearly basis, a concussion and head injury fact sheet shall be signed and returned by the youth athlete and athlete's parents/guardian prior to the youth athlete's initiating practice or competition.
3. All athletes suspected of suffering a concussion or brain injury will be removed from practice or competition and not returned to play until cleared in writing by a licensed health care provider trained in the evaluation and management of concussions (Medical Doctors, Doctor of Osteopathy, Advanced Registered Nurse Practitioner, Physicians Assistants, and ***Certified*** Athletic Trainers).

### **AAU Event Operator Compliance Statement for HB1824 Youth Sports-Head Injury Policies**

**This page must accompany each Tournament Entry form. Participation in AAU Sanctioned Events will not be granted until this page is returned and requirements of this application are complete and approved by the AAU Event organizer.**
