5th Grade Boys' Spring League Seeding

To those that are interested in how teams were placed in the AAU Yakima Valley Winter League.

Remember: There is no perfect way of doing it. Even the RPI system that the High School uses is not always correct. This is the best system that I have found. New teams need to play into the ranking system. In this system, the stronger teams play each other and new teams to determine their rank by playing cross over games against previously ranked teams. The weaker teams need to play against the weaker teams and cross over with new teams to confirm their position.

The number of teams in a division determines the pre-existing bracket to use. In this case 11 teams, 1 division of 6 and 1 division of 5.

Mount Adams: The top 6 teams from the Winter League that have entered the Spring League.

Mount Rainier: Next 5 teams that played in Winter League 1 that have not played league
