Winter League Seeding

To those that are interested in how teams were placed in the AAU Yakima Valley Winter League.

Remember: There is no perfect way of doing it. Even the RPI system that the High School uses is not always correct. This is the best system that I have found. New teams need to play into the ranking system. In this system, the stronger teams play each other and new teams to determine their rank by playing cross over games against previously ranked teams. The weaker teams need to play against the weaker teams and cross over with new teams to confirm their position.

The number of teams in a division determines the pre-existing bracket to use. In this case 26 teams, 4 divisions of 5, and 1 division of 6,

Mount Adams: The top 5 teams from the Fall League that have entered the Winter League.

Mount Rainier, Mount Saint Helens and Mount Baker: New Teams that have not played in league. Placed randomly.

Mount Olympia: The last six teams from Fall League Rankings

Yakima Valley AAU Three Rivers “Youth” Winter League “2025” 1st Grade Boys’ Rankings after Winter League

Now that the league is over, we have re-rank the teams based on games played.

Observations of the Scheduler.

We encourage that your teams continue playing in the Spring and Summer Leagues.

Only one of the top ranked teams lost a cross over game to a new team.

Experience of the team is the biggest reason for your team overall ranking.

Normally the higher rank teams will have played more games, when the teams have played in several sessions, they will develop faster. The more a player plays the more confidence that player will have.

Same with the teams, the more they play the better they will get. I have always encouraged teams to play in three of the five sessions. Eighteen games over the year with the practice session makes a difference.

Remember these are First Graders

It is interesting how the new teams spread out in the rankings for winter league.

Very seldom that a new team will beat a team that is in the advance division, because of previous experience of those teams. Forfeit games are not used to determine final Rank. **Only 3 forfeits in 1st Boys.**

These rankings will be used during the spring league, using the same concept as was used in the winter league. We encourage that your teams continue playing in the spring and summer leagues.

These two teams did not play in the Winter League. They're in the final rankings on the last page, below.

1st – Yakima - Hoop Culture – Moved up to 2nd Grade: This team will retain its #1 Ranking

8th - Sunnyside - 509 Insanity-Campuzano This team will now have a Ranking of #15
