Winter League Seeding

To those that are interested in how teams were placed in the AAU Yakima Valley Winter League. Remember: There is no perfect way of doing it. Even the RPI system that the High School uses is not always Correct. This is the best system that I have found.

Number of teams in a division is pre-determine via total number of teams and the pre-existing bracket. In this case 15 teams, 3 divisions of 5

Mount Adams: The top 4 Ranked teams from the Fall League. Plus Zillah who indicated skill level 1.

Mount Rainier: New Teams that have not played in league. Placed randomly with next 3 ranked teams.

Mount Saint Helens: the last four teams from Fall League Rankings and Prosser to separate two Prosser Teams.

When the league is over, we will go through and re-rank all teams. Using those rankings for Spring League.
