# Yakima Valley AAU Three Rivers “Youth” Winter League “2025” 4th Grade Girls’ Winter League Seeding

To those that are interested in how teams were placed in the AAU Yakima Valley Winter League. Remember: There is no perfect way of doing it. Even the RPI system that the High School uses is not always correct. This is the best system that I have found. New teams need to play into the ranking system. In this system, the stronger teams play each other and new teams to determine their rank. The weaker teams need to play against the weaker teams and cross over with New Teams.

Number of teams in a division is predetermine via total number of teams and the pre-existing bracket. In this case 23 teams, 3 divisions of 6, and 1 division of 5

Mount Adams: The top 5 teams from the Fall League that are in the Winter League. Plus Grandview  
Mount Rainier: 5 New Teams that have not played in league. Placed randomly. Plus WV Dragons Sp  
Last 2 Division: The last 10 teams from Fall League Rankings except New Team Cle Elum to separate.  
Did some separation of teams from same town.

Now that the league is over, we are going to re-rank the teams based on games played.
