# Yakima Valley AAU Three Rivers “Youth” Winter League “2025” 5th Grade Girls’ Winter League Seeding

To those that are interested in how teams were placed in the AAU Yakima Valley Winter League. Remember: There is no perfect way of doing it. Even the RPI system that the High School uses is not always correct. This is the best system that I have found. New teams need to play into the ranking system. In this system, the stronger teams play each other and new teams to determine their rank. The weaker teams need to play against the weaker teams and cross over with New Teams.

The number of teams in a division determines the pre-existing bracket to use. In this case 16 teams, 1 divisions of 6, and 2 division of 5

Mount Adams: The top 5 teams from the Fall League and Grandview for Separation.  
Mount Rainier: Four New Teams that have not played in league. Grandview for Separation.  
Mount Sait Helens: The last 5 teams from Fall League Rankings

Now that the league is over, we are going to re-rank the teams based on games played.
