Winter League Seeding

To those that are interested in how teams were placed in the AAU Yakima Valley Winter League 2026. Remember: There is no perfect way of doing it. Even the RPI system that the High School uses is not always correct. This is the best system that I have found. New teams need to play into the ranking system. In this system, the stronger teams play each other and new teams to determine their rank. The weaker teams need to play against the weaker teams and cross over with New Teams.

The number of overall teams in a division is determine by the pre-existing bracket to use. In this case 15 teams, 3 divisions of 5.

Mount Adams: The top 4 teams from the Fall League that entered the Winter League are listed in order. One New Team Randomly picked.

Mount Rainier: 3 New Teams and the 6th and 7th place teams from the Fall League

Mount St Helens: The Bottom 5 teams from Fall League.

Rankings after Winter League

Now that the league is over, we have re-rank the teams based on games played.

Observations of the Scheduler.

We encourage that your teams continue playing in the Spring and Summer Leagues.

Not one new team was able to beat any of the teams that played in the Fall League.

Experience of the team is the biggest reason for your team overall ranking.

Normally the higher rank teams will have played more games, when the teams have played in several sessions, they will develop faster. The more a player plays the more confidence that player will have. Same with the teams, the more they play the better they will get. I have always encouraged teams to play in three of the five sessions. Eighteen games over the year with the practice session makes a difference.

Remember these are First Graders

It is interesting how the new teams did not beat any of the five rank teams that played last session. Very seldom that a new team will beat a team that is in the advance division, because of previous experience of those teams. Forfeit games are not used to determine final Rank, **great none in 1st girls.**

When your team forfeits a game, it effectively hurts the other team players, parents: the AAU Staff who has to communicate; the game site staff who have given up their time so that your team could play that Day.

These rankings will be used during the spring league, using the same concept as was used in the winter league. We encourage that your teams continue playing in the spring and summer leagues. It is never too early to develop.
