Winter League Seeding

To those that are interested in how teams were placed in the AAU Yakima Valley Winter League 2026. Remember: There is no perfect way of doing it. Even the RPI system that the High School uses is not always correct. This is the best system that I have found. New teams need to play into the ranking system. In this system, the stronger teams play each other and new teams to determine their rank. The weaker teams need to play against the weaker teams and cross over with New Teams.

The number of overall teams in a division is determine by the pre-existing bracket to use. In this case 16 teams, 2 divisions of 5. 1 Divisions of 6.

Mount Adams: The top 5 teams from the Fall League that entered the Winter League are listed in order.

Mount Rainier: 4 New Teams and the 8th place teams from the Fall League that entered the Winter League.

Mount St Helens: 2 New Teams randomly picked. The Bottom 3 teams from the Fall League.

Overall Rankings of Teams from Winter League

Now that the league is over, we have re-rank the teams based on games played during league.

Observations of the Scheduler.

We encourage that your teams continue playing in the Spring and Summer Leagues.

Not one new team was able to beat any of the teams that played in the Fall League.

Experience of the team is the biggest reason for your team overall ranking.

Normally the higher rank teams will have played more games, when the teams have played in several sessions, they will develop faster. The more a player plays the more confidence that player will have. Same with the teams, the more they play the better they will get. I have always encouraged teams to play in three of the five sessions. Eighteen games over the year with the practice session makes a difference.

It is interesting how only 2 new teams were able to beat any of the top five rank teams that played last session. Very seldom that a new team will beat a team that is in the advance division, because of previous experience of those teams. Forfeit games are not used to determine final Rank,

There were TWO Forfeit games in the FOURTH Grade Girls division out of 45 games, two to many. Forfiets should never happen.

When your team forfeits a game, it hurts the other team players, parents: the AAU Staff who has to communicate; the game gym site staff who have given up their time so that your team can play that Day. Families and other individuals that give up their time so that the teams can play.
