### Winter League Seeding

To those that are interested in how teams were placed in the AAU Yakima Valley Winter League 2026. Remember: There is no perfect way of doing it. Even the RPI system that the High School uses is not always correct. This is the best system that I have found. New teams need to play into the ranking system. In this system, the stronger teams play each other and new teams to determine their rank. The weaker teams need to play against the weaker teams and cross over with New Teams.

The number of overall teams in a division is determine by the pre-existing bracket to use. In this case 22 teams, 2 divisions of 6, 2 divisions of 5.

**Mount Adams:** The top 5 teams from the Fall League that entered the Winter League are listed in order. One New Team very strong.

**Mount Rainier:** Fall league teams 7<sup>th</sup> – 13<sup>th</sup>

**Mount St Helens:** 4 New Teams randomly picked. #1 - 4<sup>th</sup> Grade team

**Mount Clemans:** Bottom 4 teams from Fall league and 1 New Team Randomly picked.

## Overall Rankings of Teams from Winter League

Now that the league is over, we have re-rank the teams based on games played during league.

**Observations of the Scheduler.**

We encourage that your teams continue playing in the Spring and Summer Leagues.

Experience of the team is the biggest reason for your team overall ranking.

Normally the higher rank teams will have played more games, when the teams have played in several sessions, they will develop faster. The more a player plays the more confidence that player will have. Same with the teams, the more they play the better they will get. I have always encouraged teams to play in three of the five sessions. Eighteen games over the year with the practice session makes a difference.

It is interesting how only one new team beat any of the five top rank teams that played last session. Very seldom that a new team beats a team that is in the top division, because of previous experience of those teams. Forfeit games are not used to determine final Rank,

There was only 1 Forfeit game in the fifth Grade Girls division out of 66 games, Congratulation Teams. One forfeit should have never happen.

When your team forfeits a game, it hurts the other team players, parents: the AAU Staff who has to communicate; the game gym site staff who have given up their time so that your team can play that Day. Families and other individuals that give up their time so that the teams can play.
